## Community Campaign 2018

Dear Neighbor,

The Logan Township United Fire Department is happy to be in a partnership with our community – a partnership that saves lives and property and provides a sense of community safety assuring that equipment and volunteers are ready to serve you, your family and our businesses whenever help is urgently needed.

**Fully ONE THIRD of our operating budget is funded by the community dollars donated by the residents, businesses and organizations that we serve daily.** For only pennies a day, your contribution will help us meet our financial needs through a solid yearly business plan and operational budget. We are 100% accountable for every dollar we receive and our budget and expenditure information is available for your review. Please consider donating at one of these levels:

**\$70.00 donation = 19 cents/day \$90.00 donation = 24 cents/day \$125.00 donation = 34 cents/day**

**LIKE US ON FACEBOOK - Logan Township United Fire Department** 

**The contributions from the Kittanning Trail and United Fire Districts will remain in that fire district to support the needs of your neighborhood fire station with complete integrity and accountability.**

Your United Fire Department sets the bar for training and performance in the volunteer fire sector and proudly recognizes our Professionally Certified Volunteers. We respond to just over 500 calls for service annually and continue to train and certify our staff to meet state standards, assist adjacent fire districts, and help to manage the fire service records management and technology system.

Now we ask you, as a member of the community we serve, to **respond to our call for your help.** We know that many in our community have been hit hard by the recent downturn in the economy – we live and work here too! But please remember that **your volunteer fire service is an essential service** that cannot function effectively without your continued support. Even if it cannot be as much as you would normally like to give, **please respond to our appeal for your help by sending in your generous tax-deductible donation today.**

Sincerely,

  
Jeff Blake

Chairman, Board of Directors

  
Travis Lunglhofer

Fire Chief
